Be sure to use the link if possible, to log-in and in case something isn't working please call Jeff Knight at 715 381 1433 and he'll help get you connected.

Now that we have completed our Christmas show recordings we will focus on a couple of major objectives.

1. Continue to polish our Disney show tunes.
2. Remember and learn songs for our following year show.

Both shows have lots of fun songs in them, so it should be very enjoyable to make progress on new tunes!

This week we will work primarily on our Disney show songs. And we will have another sectional rehearsal for When you Wish/A Dream Is A Wish.

As part of the Business Meeting we will have a short presentation by a representative from the Harmony Foundation. And then after the business meeting we'll have our afterglow. Chat, have a beverage and sing a bunch of Tags.

Where did you grow up, and family information?

What jobs have you had or hobbies that others may be interested in?

Is there anyone you know that might join our zoom meetings? Have you asked them?

Who invited you or why you got started in Barbershop singing?

What else would you like to share with the group?

Either send your answers to these questions to Tyler Smith or be ready to answer them on Zoom meeting sometime.
